

# 48" x 45" BULK BOX

The perfect balance of  
strength and versatility

Buckhorn's BN4845 extra-duty bulk box is designed with the customer in mind. It features the proven design of sturdy, structural foam panels and drop down doors you expect from Buckhorn and combines that technology with a high strength, injection-molded, two-piece welded base. Perfect for the manufacturing and automotive industries, the BN4845 provides end users with a high performance solution without adding weight to the container.

BN48455120 using 7" and 10" extension ring

 **BUCKHORN®**

*Now in extended heights*

- Up to 2,500-lb. capacity on select models
- Available in a variety of heights – 7" and 10" extension rings can be added in any combination to the original BN484525 and BN484534 models
- Features ergonomic handles and non-sequential folding
- Four drain holes for better outside storage
- Dual drop-down doors do not block fork tunnels when open
- Two recessed ID tag areas on all four sides of the base
- Additional flat surfaces on the panels and doors for labels, cardholders or RFID tracking
- Welded base interlocks into container below for secure stacking, upright or collapsed
- Up to a 3:1 return ratio – 234 collapsed containers fit in a 53' trailer
- Easy to repair – no special tools or fasteners required
- 100% recyclable
