NEW Reusable Slot Lock™ Container

Packnet's NEW **Slot Lock™ Container (SLC)** is extremely fast and easy to assemble! No nails, screws, or staples are required for assembly. The SLC has no loose fasteners and is light weight when compared to other wooden boxes and crates. The SLC can also be reused many times if desired or used as a one way shipper. SLC are made from 7/16" on grade OSB sheet material and are supplied with a heavy duty pallet base.

SLC with center support block.

apply steel or plastic/nylon banding around the container when loaded and this will lock the panels together as one container.

Standard and custom sizes are available without any

tooling costs. Variations of the container may also be produced. Call us today at 952-944-9124 to see how you can benefit from these cost saving reusable SLC's .
